## ADDRESSING TELEGRAMS TO THE FIELD

Foreign Service posts have official registered cable addresses and to avoid delay and insure delivery to the correct address such addresses should be used for telegrams. They are:

For embassies—Amembassy, and for both consulates general and consulates—Amconsul. The U.S. Mission at Berlin should be addressed USMISSION BERLIN. For example:

Amembassy PARIS	USMISSION BERLIN
Amconsul HONG KONG	

## ADDRESSING CORRESPONDENCE TO THE FIELD

It is most important that official correspondence be correctly addressed to the post and not to an individual. To avoid delay and insure prompt attention, it should be addressed, for example, to—

The American Embassy, Paris, France.	The American Consulate, Saint John, New Brunswick, Canada.

The *Foreign Service List*, compiled primarily for the Department of State, the Foreign Service, and other United States Government Agencies, provides information on assignments of Foreign Service and other U.S. personnel in the field of foreign affairs. This information has been useful also to American business firms, various groups and individuals, and foreign governments.

The *List* includes: chiefs of mission; Foreign Service officers; Foreign Service Reserve officers; Foreign Service Staff officers of class six and above; and consular agents. It also includes officers of the Agency for International Development, the Peace Corps, the United States Information Agency, the Foreign Agricultural Service of the United States Department of Agriculture, the Departments of Army, Navy, and Air Force, and United States Missions to International Organizations.

Information on the opening and closing of posts, posts changed in rank and status, and other pertinent data also appears in each issue.

Only information received before the revision date of the publication is included. Therefore, the *List* does not necessarily reflect the current status of every individual listed. ### ADDRESSING TELEGRAMS TO THE FIELD

Foreign Service posts have official registered cable addresses and to avoid delay and insure delivery to the correct address such addresses should be used for telegrams. They are:

For embassies—Amembassy, and for both consulates general and consulates—Amconsul. The U.S. Mission at Berlin should be addressed USMISSION BERLIN. For example:

Amembassy PARIS	USMISSION BERLIN
Amconsul HONG KONG	

### ADDRESSING CORRESPONDENCE TO THE FIELD

It is most important that official correspondence be correctly addressed to the post and not to an individual. To avoid delay and insure prompt attention, it should be addressed, for example, to—

The American Embassy, Paris, France.	The American Consulate, Saint John, New Brunswick, Canada.

### ADDRESSING TELEGRAMS TO THE FIELD

Foreign Service posts have official registered cable addresses and to avoid delay and insure delivery to the correct address such addresses should be used for telegrams. They are:

For embassies—Amembassy, and for both consulates general and consulates—Amconsul. The U.S. Mission at Berlin should be addressed USMISSION BERLIN. For example:

Amembassy PARIS	USMISSION BERLIN
Amconsul HONG KONG	

### ADDRESSING CORRESPONDENCE TO THE FIELD

It is most important that official correspondence be correctly addressed to the post and not to an individual. To avoid delay and insure prompt attention, it should be addressed, for example, to—

The American Embassy, Paris, France.	The American Consulate, Saint John, New Brunswick, Canada.
